

# No School Today

My school is closed right now.  
It is closed to help everyone stay healthy.

This means I have to stay home.

We do not know how long the school will be closed for.  
But it will open again.

When I am out of school, here are some things I might do:

- Play with my favorite toys
- Watch television
- Take walks and play outside in my yard.
- I will also have school work to do.

All students will have to do school work at home.  
My teacher is sending it home.

I will spend more time with my family.

Everything will be ok.
